

BROUGHT TO YOU BY:

Join us
Western Ohio Ag in the Classroom Conference

June
13TH

BEGINS AT 9AM

LOCATION
MVP DAIRY

7124 U.S. Route 33 Celina, Ohio 45822

CALLING ALL K-4 Teachers, join us at MVP Dairy to learn how you can bring agriculture into your classroom. You'll **earn CEUs**, hear from Ohio's agricultural experts, learn interactive activities and take home resources to incorporate agriculture into your curriculum.

Event Agenda

- 8:30 am** Registration and Coffee, Yogurt Parfaits and Donuts
- 9:00 am** MVP Dairy Tour or Virtual Tour Option of a Local Turkey farm
- 11:00 am** Breakout Sessions

Breakout 1- Pigs need a safe and comfortable place to live, learn how to integrate housing calculations into your next math lesson while creating the perfect space for Ohio pigs.

Breakout 2- Connect food science and farming: Understand the nutritional value of food through creating "food friends."

Breakout 3- Discover soil science and create your own Cover Crop Monster to demonstrate the impact of regenerative practices on soil health.

Breakout 4- Explore the world of pollinators through hands-on activities and learn how to incorporate them into your reading lessons.

NOON Lunch provided by sponsors

- 1:00 pm** Expert Panel Discussion
 - Q&A Session: Learn how to navigate and choose trusted resources and incorporate them into your curriculum.

1:30 pm Breakout Sessions Continued

3:45pm Adjourn
